

NEWSLETTER
THE PLUMERIA SOCIETY OF AMERICA, INC.

May 20, 1981

IMPORTANT NOTICE

MAY 30, 1981 will be the date of the next meeting of The Plumeria Society of America, Inc. We will not meet on June 9, 1981 as previously scheduled.

On May 30, 1981, Saturday morning at 11:00 a.m. at 3375 Del Monte, is the time and place of our meeting. Lunch will be served. Our guest will be Richard Eggenberger of Matrimandir Gardens, South India. Mr. Eggenberger for the last twelve years has been developing and maintaining the plumeria "Garden of Perfection" and has acquired 140 different varieties of plumerias from travels around the world. This will be an informal occasion so that each member can meet and talk with Mr. Eggenberger. We must have an accurate count of members who will attend, so please call either Lydia Hilliard at 529-5393 or Elizabeth Thornton at 468-6275 if you will attend---AS SOON AS POSSIBLE, please.

Please circle JULY 12, 1981 on your calendar and plan to participate in our Flower Show, Plant Sale and Workshop at the Houston Botanical Gardens, 4501 Woodway, from 10:00 a.m. to 5 p.m. The participation of every member is necessary for the success of this event. The public response for our first show was overwhelming and we must have more flowers to show and plants to sell. If every member would arrange to contribute a minimum of 5 plants, large or small, we should be able to fill the demand. It is not too late to start cuttings NOW. Small seedlings were readily bought last time so bring any you feel you can part with.

NEW OFFICERS

President	Lydia Hilliard
Vice-president	Frank Tuxworth
Secretary	Marie McCormick
Treasurer	Gloria Glenney
